**Re: Installation of all-way stop control at the intersection of Underwood Place NW & North Capitol Streets NW
NOI #19-282-TOA**

Dear Chairperson Parks:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent (NOI) to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- **Install all-way stop control at the intersection of Underwood Place NW & North Capitol Streets NW**

DDOT has determined that stop signs should be installed on the North Capitol Street NW approaches to Underwood Place NW. Currently, Underwood Place, which serves east and westbound directions, is required to stop at North Capitol Street. Under this Notice of Intent, DDOT will require the North Capitol Street approaches to also stop at the intersection. This action will require all vehicular approaches to the intersection to stop.

All comments on this subject matter must be filed in writing by December 31, 2019 (thirty business days after the date of this notice), with the District Department of Transportation, Transportation Operations Administration at 55 M Street, SE, Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at: <http://ddot.dc.gov/service/ddot-notice-intent>

Sincerely,

Jeff Marootian
Director
District Department of Transportation
